Brenda, sorry this has taken me so long to get out to you. I just want to tell you how much better i feel since i've been taking Mega Cleanse and Mega Cleanse ex. I have pitched professionally for 20 years so i have always tried to take care of myself. But, with the late games and travel it hasn't always been easy. I have really had to work hard to keep my diet and weight in check. I must say since i have been "on" the products i have so much more energy and don't feel so lathargic(sorry about the spelling). It's nice to know that my insides are as healthy as my outside. Thanks again .
