Farmers Branch Tx. 75234  
Attn: Brenda

Please send me 6 more Mega-Cleanse.

I just had my first colonoscopy at age 55. My Dr. told me to keep doing whatever I was doing because my colon was clean as a whistle.

I told him that I had been taking the Mega-Cleanse for three years now. He was impressed.

Please send me info on the Joint Renewal too.

Thanks.

Yours truly,

Pat

A handwritten signature in black ink that reads "Pat". The signature is written in a cursive style with a large, sweeping initial "P" and a smaller "at" following it.
