Dear Brenda 😊

Hi, I am sorry it has taken me so long to ^{reponse and} ~~reponse and~~ back to you. I do not have a computer, or I could email you. He He so I am doing the old fashioned way! You are an answer to my prayers. I have used so many different skin care products, and the Body drink is amazing! I have always had severely dry skin since I was born and it comes genetically from my Dad's side of the family. I could relate to some of ~~the~~ the letters you sent about using anything and everything. My skin was so parched from the HCB. Oh my goodness! I am completely sold on the Skin Drink. The first time I used it, I felt relief. My husband who is usually somewhat skeptical said wow! "what a difference". He says I look younger. I have had a couple of people ask me if I got a face lift. He He I had to chuckle. Its amazing! Love the eye cream and the other samples also. Thank you so much!

* Now on to the next great products The Mega cleanser and Mega extra cleanse - Wow, these products are amazing! I have had all my life coalitions and bowel issues, and lactose intolerant, these products are just amazing. When I was done with the samples, I went back to having issues. Can't wait to order these products from you. I am completely convinced! My Mom has had Chrones Disease for 30 years and ~~was~~ not so past to live this long. I want to introduce her to these products.

Most importantly I want to thank you for your caring and generous heart to help others. You are amazing in this day and time you can't hardly see it. It is rare! ➔

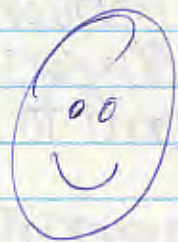

and most of the time people are about the mighty dollar. Thank-You for your passion to care enough to start a business that would and has helped others in there health. The product sells itself! I appreciate your generous heart! Thank-You for calling me back and taking time out, just to talk to me. There arent enough words to describe my thanks to you and your company in the integrity of your products! They have changed some huge aspects of my life and health. I am excited and passionate about them and also telling others about them!

Brenda, Thank-You for truly caring about others! and your generosity in sharing samples! May God truly bless you more greatly and your company 10x and over!
