Dear Brenda,

I wanted to write and let you know how much I love your product line. I own a nutrition store in Flower Mound, Texas where I sell and use your products. Not only do I sell about \$500 a week of your products, but my wife and I use the Mega Cleanse, Mega Cleanse Extra, and your entire skin care line.

The Mega Cleanse is amazing. I started using the Mega Cleanse system about three years ago after I had gone from a skinny 190 down to 180 in less than a month. I was gaunt and looked and felt very unhealthy. After being on your product, I was able to put the weight back on in lean muscle mass as well as increase my energy levels dramatically. My wife has never been more regular than she is when using your product and she has been able to lose weight and keep it off easier.

Those are just our success stories. As the owner of a nutrition store I also get to hear many different testimonials from the guests who come in the store. I can honestly say that I don't have a single product that has a greater success rate than the Mega Cleanse system. I can't believe how many people come back over and over again to buy the Mega Cleanse and their stories are amazing! They usually bring back family and friends to try the products. I have only ever had one Mega Cleanse returned and after showing the guest that he had been taking it incorrectly, he came back a few months later and bought it again and loves it. That's an unheard of success rate for a product that I sell so much of!

Thank you again Brenda and keep up the good work.
