Brenda,

Thank you for your wonderful product. They make me feel so much better. I recently ran out and could definitely feel the difference.

I had gotten the flu and had been traveling for my work. Unfortunately, I could not find it in Scottsdale AZ.

Anyway, I had bought another brand of colon cleanse that just is not doing the same thing for me that your products had done.

I really love the Mega Wellness and the Mega Extra, as I could really tell a difference in how I felt.

I can't wait to get back on my Mega Wellness Cleanse!
