Hello,

My name is Kenitra Webster. I live in Romulus, Michigan. I recently visited Texas over the Christmas holidays. I stopped in a health store during my visit and learned about your Mega Cleanse product. I decided to try it and I love it!! My husband and I are currently using it together. It has only been 11 days, but we have both noticed a difference in our appearance. The good news is that other people have started to notice as well. Just today, after church, I got a few compliments on my weight loss and my clearer complexion. I shared that I was using your product, and now there are several people who would like to try it as well. So, since your product is not in stores in Michigan (or at least my area), I'm wondering if you would be interested in hiring me as a Michigan Sales Agent. I would take orders for your products, send you the order form, then you would ship the products to me and I would distribute them. We both win-more business for you, and extra income for me. We could talk more about the details in a future correspondence.
