Brenda,

Hi,

"Over 20 years ago my esthetician recommended to me Body Dynamics Skin Drink Cleanser and the Skin Drink Intensive Renewal Toner. In addition I use the Day Protection, Extreme Regeneration Hydrating Night Complex and Face Lift Masque. I am in my mid 50's now and consistently receive many compliments on how youthful my skin looks.

After trying other natural solutions for menopause that did not work.

You recommended the Maxzorb Platinum Plus CBD Oil, CurcuMaxPlus, DIM Estro Clean Complex, Raw Mega Nutritional Vitamin System, Nu Born Skin and Dynamic Energy and Focus. Brenda is awesome. Since taking these products I have little to no hot flashes or night sweats. It is obvious if I go a couple of days without the Maxzorb products the hot flashes start/night flashes start creeping in."

Thank you Brenda.

Sincerely,

Leticia Ledesma
